Lather up to prevent gastro bug.

An article taken from The Advertiser with reference to a recent gastro outbreak. SA Health advised a switch from washing hands with soap to using hand sanitiser which did not kill gastro bugs was partly to blame. "Prevention is always the best defence which is why we encourage everyone to wash their hands with soap."

Wise Words.

A good life is when you assume nothing, do more, need less, smile often, dream big, laugh a lot and realise how blessed you are.
